Sulabh-IIHH EIACP Resource Partner, under the aegis of the Ministry of Environment, Forest and Climate Change, Government of India, organized a series of impactful **plantation drives from 1st to 7th July 2025** to mark Hariyali Saptah and Van Mahotsav. The initiative was conducted under the inspiring theme “Ek Ped Maa Ke Naam,” encouraging individuals to dedicate trees in honour of their mothers and strengthen the bond between people and nature.

These plantation activities were carried out at multiple locations across New Delhi, including the Senior Citizens Recreation Centre Park in Dwarka Sector-6, Sulabh Gram, Palam Dabri Road, Govt. Sarvodaya Bal Vidyalaya School in Mangla Puri, Palam, Sulabh Public School in Mahavir Enclave, and Tamanna Sisters of Charity in Najafgarh.

The drives aimed to raise environmental awareness, foster a culture of responsibility towards natural resources, and promote community engagement in creating a greener, healthier urban environment.

The programme witnessed enthusiastic participation from **over 500 individuals**, including students, teachers, local residents, and staff members. Participants collectively planted hundreds of saplings, symbolizing hope, sustainability, and a shared commitment to protecting the environment. They also took a pledge to nurture the young trees and ensure their growth into mature green canopies that will benefit future generations.

Through this concerted effort, Sulabh-IIHH EIACP demonstrated the power of community action in mitigating climate change and preserving ecological balance. The initiative not only contributed to improving the city’s green cover but also inspired citizens to take small yet meaningful steps for a sustainable future.

Tree Plantation On The Occasion of Van Mahotsav

Under the aegis of the Ministry of Environment, Forest and Climate Change, Government of India, and organized by Sulabh-II-HH, EIACP Resource Partner, a tree plantation program was held on 7th July 2025 at the Senior Citizens Recreation Centre, Sector-6, Dwarka. Supervised by Chairperson Balbir Singh Yadav, the event saw participation from around 50 individuals, including local residents and eco-conscious citizens. The initiative aimed to raise awareness about environmental conservation and promote green cover. Indigenous saplings like neem, peepal, jamun, gulmohar, and amaltas were planted to enhance biodiversity, improve air quality, and support the local ecosystem. The activity fostered a strong sense of environmental responsibility among participants, inspiring them to remain connected to nature and contribute to a greener, healthier future.

TREE PLANTATION DRIVE HELD ON THE OCCASION OF VAN MAHOTSAV

DE NEWS

On the occasion of Van Mahotsav, a tree plantation program was successfully organized on 7th July 2025 at the Senior Citizen Recreation Centre, Sector-6, Dwarka, under the guidance of Mr. Balbir Singh Yadav (President). The event was conducted by Sulabh-IIHH, EIA&CP Resource Partner, under the aegis of the Ministry of Environment, Forest and Climate Change, Government of India.

The event saw the enthusiastic participation of around 50 individuals, including local residents, community members, and environmentally conscious citizens. The primary aim of the initiative was to raise awareness about environmental protection and to encourage the expansion

of green cover.

During the program, saplings of indigenous tree species such as Neem, Peepal, Jamun, Gulmohar, and Amaltas were planted. These trees were carefully chosen for their ability to purify air, support biodiversity, and strengthen the local ecosystem.

This hands-on activity provided an inspiring and fulfilling experience for the local community, fostering a deeper connection with nature and a sense of pride in contributing to environmental conservation.

Organized by Sulabh-IIHH EIA&CP, this initiative was a commendable step towards a 'Green Future'. By encouraging public participation, it supports the vision of building a cleaner, greener, and more beautiful India.
